## **ASSIGNMENT**

WHEREAS, WE, Scott A. Moskwotiz, residing at 16711 Collins Avenue, #2505, Miami, Florida, 33160, USA, and Michael W. Berry, 12401 Princess Jeanne, Albuquerque, New Mexico, 87112, USA, have invented certain new and useful improvements in and to the subject matter of:

### **METHOD AND DEVICE FOR MONITORING AND ANALYZING SIGNALS**

described in an application for United States Letters Patent filed on September 7, 2000, and accorded Application No. 09/657,181;

AND, WHEREAS, Blue Spike, Inc., a corporation organized under the laws of the State of Florida, having a place of business located at 16711 Collins Avenue, #2505, Miami, Florida, 33160, USA (hereinafter "ASSIGNEE"), is desirous of acquiring certain rights to the improvements and under the application;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) or the equivalent thereof, and other good and valuable consideration, receipt of which is hereby acknowledged, we do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, our entire right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said improvements, said United States application, any other United States applications, including provisional, divisional, renewal, substitute, continuation, reexamination and reissue applications, based in whole or in part on said United States application or in whole or in part on said improvements, any foreign applications, including international and regional applications, based in whole or in part on any of the aforesaid United States applications or in whole or in part on said improvements, and in and to any and all letters patent, including extensions thereof, of any country which have been or may be granted on any of the aforesaid applications or on said improvements or any parts thereof;

AND WE hereby authorize and request our attorneys, Brobeck, Phleger & Harrison LLP, whose address is 1333 H Street, N.W., Suite 800, Washington, DC 20005, to insert hereon any identification necessary or desirable for recordation of this document, including the filing date and application number of said application when known.

AND WE hereby agree for ourselves and our heirs, executors and administrators to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said above-referenced application or in the preparation or prosecution of any continuing, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, or other applications for patents of any region or country, that may be necessary to secure to ASSIGNEE its interest and title in and to said improvements or any parts thereof, and in and to said several patents or any of them;

AND WE hereby covenant for ourselves and our legal representatives, and agree with said ASSIGNEE, its successors and assigns, that we have granted no right or license to make, use, sell or offer to sell said improvements, to anyone except said ASSIGNEE, that prior to the execution of this deed, our right, title and interest in said improvements had not been

otherwise encumbered, and that we have not and will not execute any instrument in conflict therewith;

AND WE do hereby authorize and request the United States Commissioner for Patents to issue any and all letters patent which may be granted upon said United States applications, or upon said improvements or any parts thereof when granted, to said ASSIGNEE.

IN WITNESS WHEREOF, we have hereunto set our hands and seals.

## ASSIGNMENT FOR PATENT APPLICATION

WHEREAS, WE, SCOTT A. MOSKOWITZ, having a postal address of 16711 Collins Avenue, #2505, Miami, FL 33160, and MIKE W. BERRY, having a postal address of 4400 Monmouth Castle Road, Virginia Beach, Virginia 23455, have invented a new and useful invention and improvements to the subject matter of:

### **Method and Device for Monitoring and Analyzing Signals**

described in a United States patent application filed on December 26, 2007, this application has not yet been accorded a U.S. Patent Application No. (hereinafter, the "Identified United States Application");

AND, WE hereby authorize the insertion hereon of the serial number and filing date when known, and which information may be necessary or desirable for recordation of this document;

AND, WHEREAS, BLUE SPIKE, INC., a corporation organized under the laws of the State of Florida, having a place of business located at 16711 Collins Avenue, #2505, Miami, FL 33160 (hereinafter "ASSIGNEE"), is desirous of acquiring certain rights to said invention and under the Identified United States Application;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) or the equivalent thereof, and other good and valuable consideration, receipt of which is hereby acknowledged, we do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, our entire right, title and interest in all countries throughout the world, in and to the following: A) said invention and improvements; B) the Identified United States Application; C) any other United States applications (including provisional, divisional, renewal, substitute, continuation, reexamination and reissue applications) based in whole or in part on the Identified United States Application, or in whole or in part on said invention and improvements; D) any foreign applications (including international and regional applications) based in whole or in part on any of the aforesaid applications, or in whole or in part on said invention and improvements; and E) in and to any and all Letters Patent, including extensions thereof, which have been or may be granted on any of the aforesaid applications, or on said invention and improvements or any parts thereof;

AND WE hereby agree for ourselves and our heirs, executors and administrators to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said above-referenced applications or in the preparation or prosecution of any continuing, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, that may be necessary to secure to ASSIGNEE its interest and title in and to said invention or any parts thereof, and in and to said several patents or any of them;

AND WE hereby covenant for ourselves and our legal representatives, and agree with said ASSIGNEE, its successors and assigns, that we have granted no right or license to

make, use, sell or offer to sell said invention in conflict with this Assignment, and that we will not execute any instrument in conflict therewith;

AND WE do hereby authorize and request the United States Commissioner for Patents to issue any and all Letters Patent that may be granted upon said above-referenced applications, or upon said invention or any parts thereof when granted, to said ASSIGNEE.

AND, WHEREAS, BLUE SPIKE, INC., a corporation organized under the laws of the State of Florida, having a place of business located at 16711 Collins Avenue, #2505, Miami, FL 33160 (hereinafter "ASSIGNEE"), is desirous of acquiring certain rights to said invention and under the Identified United States Application;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) or the equivalent thereof, and other good and valuable consideration, receipt of which is hereby acknowledged, we do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, our entire right, title and interest in all countries throughout the world, in and to the following: A) said invention and improvements; B) the Identified United States Application; C) any other United States applications (including provisional, divisional, renewal, substitute, continuation, reexamination and reissue applications) based in whole or in part on the Identified United States Application, or in whole or in part on said invention and improvements; D) any foreign applications (including international and regional applications) based in whole or in part on any of the aforesaid applications, or in whole or in part on said invention and improvements; and E) in and to any and all Letters Patent, including extensions thereof, which have been or may be granted on any of the aforesaid applications, or on said invention and improvements or any parts thereof;

AND WE hereby agree for ourselves and our heirs, executors and administrators to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said above-referenced applications or in the preparation or prosecution of any continuing, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, that may be necessary to secure to ASSIGNEE its interest and title in and to said invention or any parts thereof, and in and to said several patents or any of them;

AND WE hereby covenant for ourselves and our legal representatives, and agree with said ASSIGNEE, its successors and assigns, that we have granted no right or license to

make, use, sell or offer to sell said invention in conflict with this Assignment, and that we will not execute any instrument in conflict therewith;

AND WE do hereby authorize and request the United States Commissioner for Patents to issue any and all Letters Patent that may be granted upon said above-referenced applications, or upon said invention or any parts thereof when granted, to said ASSIGNEE.

IN WITNESS WHEREOF, we have hereunto set our hands and seals.
